Shipley Gratitude Report 20/21
Dear Shipley Supporters,

With deep appreciation, we are pleased to share The Shipley School’s Gratitude Report for the fiscal year ended June 30, 2021.

In these pages, you will discover all the ways you supported Shipley during a “year like no other.” Primarily, because of you, Shipley lived its motto courageously and gracefully, offering its students an exemplary education throughout a pandemic. This was an amazing feat, and we cannot thank you enough!

Many of you increased your Annual Giving support or invested in a multitude of special initiatives, including colleague (faculty and staff) well-being and need-based scholarships through the Pennsylvania Educational Improvement Tax Credit Program. Furthermore, the Community Bridge Fund that you built last spring continues to provide tuition assistance to students and their families experiencing lingering financial difficulties due to the pandemic. Thanks to you, the Shipley community has remained intact and the School is beginning the 2021-2022 academic year in a strong position.

Thank you, again, for bolstering Shipley with your philanthropy and your confidence. With your outstanding gifts, you are not only giving back, but also giving forward—inspiring hope for the future that belongs to our students.

Gratefully yours,

Michael G. Turner

GRATITUDE IS GOOD FOR YOU

Research indicates there are both emotional and physical health benefits when gratitude is practiced regularly, including:

• increased happiness
• improved sleep and physical health
• a more optimistic outlook
• increased meaning and life satisfaction
• stronger relationships
• greater success

All can lead to a better (and sometimes longer) life.
VOICES IN PHILANTHROPY

Our donors feel strongly that giving back to Shipley is a way of expressing their gratitude to the School. Whether directly, as students, parents, or alumni, or indirectly, as a family member of someone who works or learns at Shipley, they have experienced the positive impact of a Shipley education in their lives. Here are a few more reasons why our donors feel compelled to give to Shipley.

MELISSA & ANTHONY ZADNIK
Current Parents
We were motivated to give back to Shipley because of the incredible focus they had while dealing with adversity. Shipley recognized not only academic needs, but the social and emotional needs of students, faculty, and staff.

CARLA ZAMBELLI MUDRY ‘81
Alumna
I give back because the Shipley experience is a lasting one, and not solely based upon excellent academics. My Shipley relationships endure: friends, teachers, and I married a Shipley legacy, Benjamin Kendall Mudry ‘82 (son of Kendall Archer Mudry ‘50). Shipley has given me a lifetime of amazing people who mean the world to me, and for whom I am very grateful and blessed.

SAIDEEP & SHIVANEE RAJ
Current Parents
We are excited to support Shipley’s scholarship program, which enables more children to be able to access the wonderful education opportunities at Shipley. Our children have had incredible teachers at Shipley who have inspired them to do well.
SHERRIE WILLNER
Grandparent & Alumni Parent
I have three sons who went to Shipley a number of years ago. They had different interests and different strengths, but each one was valued wherever he excelled. It was not only through academics or sports, but also music, art, or an outside of school activity. Now my granddaughters are experiencing the same warm, supportive environment.

LISA CHIRLIAN
Upper School Teacher
I give back to Shipley because I believe strongly in Shipley’s mission. By giving back, I am sharing my belief with the community. I feel fortunate to be able to teach at Shipley!

ALLEN & LAURA YANG
Current Parents
Shipley’s global and social vision is instrumental in shaping and nurturing its students to become the future leaders who think critically and adapt quickly to the ever transforming world. Shipley students are well equipped with strong, resilient mindsets to contribute to their communities.

ROD KELLETT
Lower School Teacher & Current Parent
By giving today, I am well aware of how our gift will help provide programs for colleagues, students, and alumni that will benefit the Shipley community for generations to come. As I watch our daughter grow, not only physically, but emotionally, I am in awe of how those in the Shipley community have helped shape her approach to life and to the future. Her emotional intelligence and positive approach to life is a testament that the Shipley model of positive education is creating well-rounded students who are willing to take risks in order to create a better tomorrow.

Acorns and Oaks is a 27-year tradition that pairs Shipley’s youngest students – the Little Acorns – with members of the Senior class – the Mighty Oaks. The school year opens with senior Oaks welcoming our Acorns into the Shipley community with a personalized pencil box and closes with Acorns presenting each Oak with their first diploma as they approach graduation day.

Volunteers

In addition to outright gifts, Shipley benefits tremendously from community members who give of their time and talent to deepen engagement and investment in the School. Many of our volunteers serve in multiple capacities. We also acknowledge that there are numerous community members who offer their service to Shipley on an as-needed basis. Their names may not appear in the list below, but their efforts are deeply appreciated.

Why volunteer? According to the *Journal of Happiness Studies*, people who volunteer are more satisfied with their lives and rate their overall health better. At Shipley, they are also an invaluable resource to our teachers and students. We are grateful for our many volunteers who put forth their time and talent to make our community incredibly special. Here, a couple of them give us their reasons why.

**KELLEY KIRKPATRICK CASPER ’04**  
Current Parent & Volunteer  
I am so happy to volunteer and give back to Shipley, as it was such an integral part of my life for 13 years. I wholeheartedly believe in Shipley’s mission and am passionate about doing what I can to support the community. I believe that so much of our children’s development is impacted by their school community and its associated values. Through its dedication to supporting students to develop as individuals, while also teaching them to become compassionate, meaningful members of society, Shipley is helping to raise children of whom we can be proud and who can definitely offer hope for a brighter future.

**NOELLE HECKSCHER**  
Current Parent & Volunteer  
I love having volunteer opportunities at Shipley. Both of my sons started at Shipley in 9th grade, which is past the age of volunteering in the classroom! I feel when I am involved in a project like the Shipley Auction, I am more connected to the School. I like working on the Auction committees because you can actually see how hard work pays off by raising a lot of money for the school, which we love! There is always a fun group of parents involved, too, so I like getting to know people in the Shipley community through volunteer work.
The Acorn & Oak Society was established to honor our most loyal donors who make a gift to Shipley each year without fail and who exhibit steadfast loyalty to—and support of—the School.

Through the Acorn & Oak Society, Shipley recognizes that it is the continuous generosity of loyal members of the community that enables Shipley to grow its Acorns into Oaks, who in turn give back to Shipley to support future Acorns and Oaks. The Acorn & Oak Society also recognizes the School’s enduring impact on its community of students, alumni, parents, and colleagues. Loyalty and generosity are critical elements of a Shipley education.

**LINDA HODGES ’79**

Acorn & Oak Society member Linda Hodges ’79 has been a loyal donor to Shipley since 1985.

I am motivated to give back to Shipley for all that the School has given to me. The gift of a Shipley education was the best thing I ever received from my parents. I had no idea as a child what a privilege it was, but, as an adult, it was quite apparent to me that Shipley was the foundation of my education, which led to my interest in life-long learning. It’s where I learned to develop my social skills and build relationships with others. It was the source of my creative thinking and it gave me the ability to become a strategic planner. It prepared me for college, graduate school, and for a career of almost forty years as a Vice President of a bank. Shipley prepares people for life!

**AIISHA HERRING-MILLER & GLENN MILLER JR.**

Acorn & Oak Society members Aiisha and Glenn Miller have been loyal donors to Shipley since 2012.

We give to Shipley because of what Shipley has given to us. We feel good about the fact that our dollars are going to improve infrastructure or support the teachers. When we give to Shipley, we are supporting growth, and we are proud that growth is happening.
Shipley’s fundraising events generate critical revenue for the School. They also enhance the sense of community at Shipley by bringing together volunteers and participants. COVID-19 remained a factor to contend with during the 2020-2021 year, which required innovation in the execution of our events, but the Shipley community banded together to successfully hold a scaled back Shipley Shops, a virtual Spring Auction, and a limited Secret Gardens.

Corporate support plays a critical role in our events’ financial success and Shipley is fortunate to have a number of extraordinarily loyal sponsors.

MILL CREEK CAPITAL ADVISORS

Members of the Mill Creek Capital Advisors team have managed Shipley’s endowment since 1999. Over the years, Mill Creek has been the lead sponsor of Shipley Shops and the Spring Auction, and has loyalty supported the Golf Classic each and every year. CIO Tom Chapin (bottom left) and his wife, Kate, are the parents of Emily ’05 and Colin ’08, and CEO Josh Gross (top right) and his wife Mackenzie are excited that Ruth ’28 will be joining Shipley’s sixth grade this fall. Dave Logan (top left) and Michael Jordan (bottom right) are also long-standing members of the MCCA team.

Our motivation to give to Shipley is due to the School’s mission of developing young leaders and impacting the community in many positive ways. Our relationship with Shipley started in 1999 and relationships built at Shipley were very important to Mill Creek’s founding in 2006. Shipley has a keen focus on building well-rounded leaders, who are focused on making the world a better place, and helping others to achieve a more inclusive society. Hope and aspiration are the building blocks of our future, and Shipley prepares us to achieve our dreams and have the strength to endure adversity. As Dr. Martin Luther King Jr. stated, “We must accept finite disappointment, but never lose infinite hope.”

SHREINER TREE CARE

Steve Shreiner and the Shreiner Tree Care team have cared for the Shipley campus since 2001. Since then, they have spread their support over all of Shipley's annual events and we have been able to count on them each and every year.

For over 25 years I’ve enjoyed the relationship with Shipley’s faculty and staff. It’s an honor to be entrusted with the care of the many beautiful trees on Shipley’s campus. I find it’s important that, when and where possible, we recognize an opportunity to give back to the organization.
Philanthropy to Shipley in 2020-2021 made an outsized impact on every aspect of the School. Here are several highlights.

**Faculty Support**
While travel to professional development meetings and conferences was curtailed in 2020-2021 due to the pandemic, colleagues were able to take advantage of virtual opportunities with faculty support provided through a mix of donor-restricted endowment fund distributions and unrestricted Annual Giving.

**Diversity, Equity, & Inclusion**
Your gifts designated for diversity, equity, & inclusion supported the development and implementation of the DEI strategic plan by making it possible to retain consultant and educator Dr. Valaida Wise and to hire four DEI coordinators—one for each academic division and one for all colleagues.

**Educational Technology**
Your sustained support, to the tune of $175,000, enabled a major educational technology transformation last summer, in preparation for Shipley’s conversion to a hybrid teaching and learning environment for all students and teachers for the 2020-2021 academic year.

**INVESTMENT & IMPACT**

**Tuition Assistance**
312
Shipley students, representing
39%
of the student body received

for the 2020-2021 academic year.

YOUR PHILANTHROPY
designated for tuition assistance contributed to more than

$2 MILLION
or nearly
26%
of what Shipley was able to offer to these students and their families. This came in the form of investments made through the PA Tax Credit program, distributions from our endowed scholarship funds, the Community Bridge Fund, and other donor-restricted gifts. The balance was supported by other operating revenue, including unrestricted Annual Giving.

You understood the importance of colleague well-being during this “year like no other.” As a result of designated support, faculty and staff enjoyed special lunches, First Friday evening group activities, and other surprise treats throughout the academic year.

**HORTICULTURE**
Special philanthropic support allowed for the addition of seven new raised garden beds, eight extra-large planters, and a special pollinator garden of native, flowering perennials in the Lower School courtyard, all of which will be cultivated year-round as part of our horticulture program.

**YARNALL GYM FLOOR**
Your support of the Spring Auction’s Paddle Raise for the Yarnall Gym floor resulted in $23,800, underwriting just over 11% of the cost to replace the aged flooring.
